**Subject:** Calendar for forthcoming TCC meetings for the period between July, 2022 and December, 2022- reg.

Sir,

The Technical-cum-Cost Committee [TCC] meetings of NMET have been organized every month to evaluate the project proposals received from Exploration Agencies [EAs] as per pre-circulated schedule. The regular TCC meetings have remained vital for managing the evaluation process in a more articulated manner.

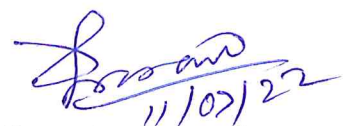

2. Keeping this in view a calendar for organising forthcoming TCC meetings for upcoming six months [July, 2022 and December, 2022] has been finalized as per schedule given below:

S. NO.	TCC Meetings	Date	Day
1	43 <sup>rd</sup> TCC	28 - 29 July, 2022	Thursday-Friday
2	44 <sup>th</sup> TCC	25 - 26 August, 2022	Thursday-Friday
3	45 <sup>th</sup> TCC	22 - 23 September, 2022	Thursday-Friday
4	46 <sup>th</sup> TCC	19 - 20 October, 2022	Wednesday-Thursday
5	47 <sup>th</sup> TCC	28 - 29 November, 2022	Monday-Tuesday
6	48 <sup>th</sup> TCC	21 - 22 December, 2022	Wednesday-Thursday

*\*In case there is any change in the indicated dated the same will be intimated in advance.*

3. Proposals received on or before last day of the penultimate month of the scheduled TCC meeting only will be discussed in that particular TCC.

4. Review material of those approved projects which are to be considered for review must reach to NMET 10 days prior to scheduled date of a particular TCC meeting.
